The 2026 Toyota Fortuner 2.8 DSL-V AT is a powerful seven-seater SUV that combines strong performance, practical equipment, comfortable driving, and modern technology. Powered by a 2.8L four-cylinder diesel engine with intercooler and Euro 4 specification, it produces 201 HP and 51 kgm of torque. The automatic transmission provides smooth power delivery, while cruise control, all-terrain 265/60 R18 alloy wheels, front and rear parking sensors, Panoramic View Monitor, and Toyota Safety Sense support confident control across different driving conditions.

Inside, the 2026 Toyota Fortuner 2.8 DSL-V AT provides a comfortable cabin with practical features for both the driver and passengers. The seats feature superior fabric upholstery, while the driver and front passenger seats receive ventilation. The cabin includes an automatic air conditioner and heater, cool glove box, LED front personal lamps, electrochromic inside rear-view mirror, tilt and telescopic steering wheel, power windows with auto up/down and jam protection, smart entry with push button start, and USB charging. An 8-inch display audio system with rear camera and Android Auto provides convenient connectivity.

The exterior of the 2026 Toyota Fortuner 2.8 DSL-V AT combines rugged styling with practical equipment, including 265/60 R18 all-terrain alloy wheels, glossy black and chrome front grille, chrome back-door garnish, roof rails, LED daytime running lights, LED fog lamps, LED position and turn signal lamps, new-design front and rear bumper spoilers, and auto-retractable mirrors. IR cut glass for the front, side, and rear enhances cabin comfort, while welcome lights and a power back door add convenience. Safety features include side and curtain airbags, Radar Cruise Control, Blind Spot Monitor, Rear Cross Traffic Alert, and Lane Departure Alert.
