The 2024 Toyota Prado TXL1 2.4L Turbo 7-Seater 4WD Automatic is designed to deliver performance, practical comfort, and confident off-road capability. It is powered by a 2.4L 4-cylinder turbocharged engine producing 267 HP and 430 Nm of torque. An 8-speed automatic transmission and full-time 4WD with a transfer case featuring High and Low ranges provide controlled performance across urban roads, highways, and challenging terrain. The Prado TXL1 also features a central differential lock and Crawl Control for enhanced off-road capability. With seating for seven, a 110-litre fuel tank, 10.6 KM/L fuel consumption, 265/65R18 tires, and dimensions of 4,925 mm in length, 1,980 mm in width, and 1,925 mm in height, this SUV offers practicality for family travel, daily driving, and outdoor adventures.

Inside, the Prado TXL1 provides a practical cabin designed around comfort, convenience, and modern functionality. Fabric seats with manual adjustment for the driver and front passenger provide everyday comfort. A 7-inch Multi Information Display presents essential driving information, while the 8-inch Display Audio touchscreen with six speakers supports convenient entertainment. Apple CarPlay and USB-C connectivity provide easy smartphone and device integration. The cabin also features a urethane steering wheel with controls, tilt and telescopic adjustment, dual-zone automatic front air conditioning, rear automatic air conditioning, illuminated vanity mirrors, automatic power windows, and a centre console cool box. Smart entry, engine start/stop button, cruise control, and USB-C charging ports for the front, second row, and third row enhance convenience for all passengers.

The exterior gives the 2024 Toyota Prado TXL1 a bold and practical appearance, featuring 18-inch alloy wheels, rectangular-design LED headlights, LED Daytime Running Lights, and LED front fog lamps. A silver front grille, body-colored side mirrors with turn signal lamps, power auto-retractable mirrors, body-colored door handles, side steps, and mud guards add styling details. Safety equipment includes front and rear parking sensors, a rear camera, driver and front passenger airbags, ABS, Vehicle Stability Control, Parking Support Brake, Hill-start Assist Control, Down Hill Assist Control, Traction Control, and Tire Pressure Monitoring System. Drive Mode Select offers Eco, Normal, and Sport settings, while the engine immobilizer, premium horn, floor mats, and Crawl Control provide protection and convenience.
