SAHARA MOTORS GROUP

2025 Toyota Highlander GLE Hybrid 2.5L 7-Seater with AT, prepare to be captivated by this exceptional hybrid SUV that seamlessly combines power, efficiency, and versatility. At the heart of this Highlander lies a potent 2.5-liter Hybrid Synergy Drive engine, delivering an impressive balance of performance and fuel economy. Whether you're navigating city streets or embarking on a thrilling road trip, this Highlander is engineered to meet your every need. With its 7-seater configuration, there's room for the whole family and a few friends. The spacious cabin offers ample legroom and headroom, ensuring everyone enjoys a comfortable ride. Versatility is key, and the flexible seating options allow you to customize the interior to accommodate passengers and cargo with ease. Equipped with advanced safety features, this Highlander prioritizes your well-being on every journey. From lane departure alert and blind-spot monitoring to adaptive cruise control and automatic emergency braking, Toyota has your safety covered.

The Highlander is equipped with a 2.5L HEV (Hybrid Electric Vehicle) engine featuring 4 cylinders, delivering efficient performance and power. The combined power output of the hybrid system is an impressive 240 hp, ensuring a dynamic driving experience. It utilizes an advanced ECVT system, providing smooth and efficient power delivery while optimizing fuel economy. The AWD system, known as AWD E-Four, enhances traction and stability in various road conditions. The Trail Mode further optimizes the AWD system for off-road driving, ensuring confident performance on challenging terrains. With its hybrid powertrain, the Highlander achieves an impressive fuel consumption rating of approximately 20.1 kilometers per liter, promoting fuel efficiency and reducing environmental impact. The Highlander GLE Hybrid comfortably accommodates seven passengers, making it an ideal choice for families or group travel.

The Highlander is fitted with tires sized at 235/65R18, providing a balance of performance and comfort. The vehicle features LED headlights, offering enhanced visibility and a modern look. The rear lamps of the Highlander utilize LED technology, providing bright and efficient illumination. It is equipped with LED daytime running lights, increasing visibility during daylight hours and improving safety. The front fog lamps utilize LED technology, ensuring optimal visibility in adverse weather conditions. The front grill of the Highlander GLE Hybrid features a sleek black design with a silver garnish, adding a touch of sophistication to the vehicle's appearance. The Highlander incorporates a smart entry system, allowing for keyless entry and convenient access for the driver and front passenger. The power side mirrors of the Highlander automatically retract when the vehicle is parked, providing added convenience and protection. The side mirrors are equipped with a heating function,

SAHARA MOTORS GROUP

preventing fogging or freezing in cold weather conditions. It comes with a rear spoiler, contributing to the vehicle's aerodynamic profile and adding a sporty touch. The vehicle is fitted with roof rails, allowing for additional cargo-carrying capacity and versatility.

Start the vehicle with the push of a button, providing ease and convenience. The Highlander GLE Hybrid comes with comfortable fabric seats, offering a pleasant seating experience for all occupants. The driver's seat is power-adjustable, allowing you to find your preferred seating position with ease. The driver's seat includes lumbar support, promoting a comfortable and ergonomic driving experience. The Highlander features automatic climate control for both the front and rear passengers, ensuring optimal comfort throughout the cabin. The steering wheel is wrapped in leather, providing a premium and comfortable grip. Control various functions of the vehicle without taking your hands off the steering wheel, allowing for safer and more convenient operation. Adjust the steering wheel's position to suit your driving preferences, enhancing comfort and control. The Highlander is equipped with a 7-inch multi-information display, providing essential vehicle information at a glance. Enjoy the convenience of automatic power windows for all doors, allowing for easy operation.

Tailor your driving experience with different drive modes that adjust the vehicle's performance and responsiveness to suit your preferences and driving conditions. The Highlander is equipped with a rear camera, providing a clear view of the area behind the vehicle to assist with parking and maneuvering. Parking sensors located in the front and rear of the vehicle help detect obstacles and provide audible alerts, aiding in parking and preventing collisions. The power back door allows for convenient opening and closing of the rear cargo area, making loading and unloading items effortless. The Highlander is equipped with multiple airbags, including driver and front passenger airbags, knee airbags, side airbags, and curtain airbags, providing comprehensive occupant protection in the event of a collision. ABS helps prevent wheels from locking up during braking, allowing for better steering control and reducing the risk of skidding. VSC helps maintain vehicle stability during cornering and evasive maneuvers by adjusting engine power and selectively applying brakes to individual wheels. The brake hold system keeps the vehicle stationary without continuously applying the brake pedal, providing convenience in stop-and-go traffic. The safety regulation kit includes essential items such as a warning triangle and a first aid kit, ensuring you're prepared for unexpected situations.
