SAHARA MOTORS GROUP

The 2026 Toyota Land Cruiser 76 Hardtop LX-Z is a tough, dependable 2.8L diesel 5-seater automatic built for drivers who need a vehicle that can handle both daily use and demanding off-road conditions. With Land Cruiser durability, practical cabin space, and an easy-to-drive automatic setup, it offers confident performance, long-term reliability, and a rugged hardtop design suited for work, travel, and adventure.

The Toyota Land Cruiser 76 Hardtop is a variant of the Land Cruiser 70 series, designed with a hardtop roof configuration. This version typically features a fixed roof, distinguishing it from other variants with different roof options, such as soft-tops. The Hardtop version usually has a closed, fixed roof, offering protection from the elements and contributing to a more secure and enclosed cabin. The Land Cruiser 76 series, including the Hardtop variant, often comes with diesel engine options. The Land Cruiser 76 Hardtop is designed for robust off-road performance, featuring a durable 4WD system. Like other Land Cruiser 76 models, the Hardtop variant typically utilizes a body-on-frame construction for durability and strength. Depending on the specific configuration, the Land Cruiser 76 Hardtop can accommodate up to 5 passengers.

The GH Mount Stop Lamp, outer mirror color keyed chrome plated with power, and aluminium side steps add a durable, premium finish, while the green laminated windshield with top shade, digital clock, and day/night inner rearview mirror enhance visibility and convenience. It features front and rear seat belts (3P/2P configurations), headrests, a rear console box, and synthetic leather seating material with 5 seating capacity, along with a tachometer, AC/heater, manual antenna, keyless entry, and meter illumination control. Power door locks, power windows, a 9" DA/AM/FM/AUX/USB/BT/AA/CP stereo with 4 speakers, a winch, window defogger, and intermittent front and rear wipers support comfort and utility, complemented by interior wood paneling with badge, floor mats, black power window switch and AC register, leather shift/transfer knobs, and a fuel lid with badge. Additional exterior and utility details include a side stripe, spare tire cover, power window functionality, and a well-equipped overall interior for everyday driving and rugged use.

ملاحظة: يرجى قراءة دليل المستخدم الخاص بالسيارة.
- لا يتم تشغيل DIFF LOCK (إبطال التروس التفاضلية) بسرعات أقل من 5 أميال بالساعة (8 كم/ساعة).
- لا يتم تشغيل DIFF LOCK (إبطال التروس التفاضلية) أثناء دوران العجلات في مكانها وذلك لتفادي الحركة العكسية.
- إبطال التروس التفاضلية على الطرق المعبدة يتطلب دمج كبح التوجيه وتلفها وفقاً عند التحول.
- يصبح التحكم بعبء القيادة صعباً عندما يتم تشغيل FRONT DIFF LOCK (إبطال التروس التفاضلية الأمامية).
- احرص على أداء إبطال جميع التروس التفاضلية بعد أن يتم تحرير السيارة.
- راجع دليل المالك الجديد من الشركة.
