The **2026 Toyota Coaster High Roof 2.8L Diesel 22-Seater Automatic** is a trusted commercial bus designed to deliver outstanding reliability, passenger comfort, and operational efficiency. Whether used for employee transportation, school services, tourism, hotel shuttles, or public transport, the Coaster is built to handle demanding daily operations with ease. Powered by Toyota's dependable **2.8L 1GD-FTV four-cylinder Euro 4 diesel engine**, producing **147 HP**, and paired with a **6-speed automatic transmission**, it offers smooth acceleration, excellent fuel efficiency, and dependable performance on both urban roads and highways. Its **2WD drivetrain**, **double wishbone front suspension**, and **leaf spring rear suspension** provide a stable and comfortable ride while maintaining durability under heavy passenger loads.

The spacious **high-roof cabin** is thoughtfully designed to maximize passenger comfort and convenience. With seating for **22 passengers**, the Coaster features **high-back fabric seats**, ample headroom, and wide aisles for easy movement throughout the cabin. The **automatic side door**, **rear luggage door**, **manual rear heating with dual vents**, **front manual heater**, **cool box**, **digital clock**, **curtains**, and **room lamps** create a comfortable environment for both short commutes and long-distance journeys. The entertainment system includes an **AM/FM/CD audio unit** with **USB, AUX, and MP3 compatibility**, supported by four speakers and an amplifier.

Safety and practicality are at the core of the 2026 Toyota Coaster. The vehicle comes equipped with **ABS (Anti-lock Braking System)**, **Brake Assist (BA)**, **driver and front passenger airbags**, and **3-point seat belts for every seating position**, providing enhanced protection for all occupants. Additional features such as the **Tyre Pressure Warning System (TPWS)**, **rear window defogger with timer**, **rear fog lamp**, **high-mount stop lamp**, **rear window wiper**, **underfloor-mounted spare wheel**, **painted resin rear bumper**, **outside rear-view mirrors**, and **automatic folding center and rear side door with warning buzzer** make the Coaster a dependable and practical choice for businesses and fleet operators seeking Toyota's renowned durability and long-term reliability. **Designed to meet the demands of modern fleet operations**, the 2026 Toyota Coaster delivers a dependable balance of performance, safety, comfort, and efficiency for every journey.
