SAHARA MOTORS GROUP

The 2026 Model Toyota Land Cruiser 78 Hardtop LWB V6 4.0L Petrol (Euro 4) is a tough, dependable 9-seater vehicle built for work, comfort, and long-distance driving with a strong emphasis on durability. This LWB (long-wheelbase) hardtop configuration offers extra rear space for passengers and cargo, making it ideal for large groups, commercial use, or family travel in demanding conditions. Powered by a 4.0L V6 petrol engine, it delivers reliable performance, while the manual transmission provides direct control and driving engagement—especially useful when navigating hills, rough roads, or off-road terrain. With its Euro 4 compliance, the vehicle is designed to meet emissions standards while still offering the classic Land Cruiser strength and practicality that drivers expect.

The Land Cruiser 78 Hardtop showcases a sturdy exterior design with a front bumper molding, halogen headlamps, black outer mirrors, and rear fog lamps. The rear window defogger ensures clear visibility, while the side step provides easy access to the vehicle. The vehicle is also equipped with a snorkel for enhanced performance in water crossings and a spare wheel carrier with a lock. With tubeless 225/95R16 tires and a 90L fuel tank, this Land Cruiser is built to endure long journeys and challenging terrains. Safety features include ABS, VSC, BA (Brake Assist), EBD (Electronic Brakeforce Distribution), HAC (Hill Assist Control), and ATRC (Active Traction Control). Inside the cabin, you'll find an air conditioner with a heater to keep you comfortable in any weather.

The vehicle is equipped with driver and passenger airbags for added safety. Other features include a manual antenna, AM ETR audio system with one speaker, a cigarette lighter, ashtray, clock, rubber floor mats, and a glove box with a key. Additional features include a low-speedometer, a 4-spoke urethane steering wheel with tilt and telescopic adjustment, side turn signals, sliding rear quarter glass, tow hooks (front and rear), a tyre pressure monitoring system, and green laminated windshield glass. The 2026 Toyota Land Cruiser 78 Hardtop Long Wheel Base combines ruggedness, versatility, and reliability to deliver an exceptional off-road experience with ample seating and impressive capabilities.
