LED TAIL LAMPS

The image shows the front interior of a car. The steering wheel is black with a silver Suzuki logo in the center. Behind the steering wheel is the instrument cluster with two main dials. To the left of the steering wheel is the dashboard with air vents and control buttons. The center console has a gear shift lever. The seats are dark-colored with a light-colored fabric insert. The background, visible through the windshield, is a desert landscape with sand dunes and mountains under a clear sky.

The image shows the interior of a car from the driver's side. The steering wheel is on the left, and the dashboard features a speedometer and various control buttons. The passenger seat is covered in a clear plastic protective film. The car's door is open, revealing the door panel and a window sticker. The background, visible through the windshield and side window, is a vast desert landscape with rolling sand dunes under a clear sky.
